

Farm Fresh Rhode Island

Community Supported Agriculture, often shortened to CSA, is a prepaid subscription to a farm's produce for the season. Most CSAs give shareholders a weekly supply of veggies, herbs, fruits and sometimes even eggs and meat. You know it's fresh and you get to meet the farm and people who grew your food! The prepaid CSA arrangements also makes it a source of financial security for the farmer. Some CSAs also incorporate farm workdays for shareholders. Pickup days vary by farm and some offer pickups in Providence. Here are a few of the farms in Rhode Island that offer CSA memberships.
